From Banbury this turn is 2<sup>nd</sup> right after the Mason's Arms; from the big A44/361 roundabout above Chippy, it's 3<sup>rd</sup> left and opposite a big layby. Then ignore the right bend marked 'Swerford': go straight ahead down a minor road. Park after ¾ mile by high brick walls (dismantled railway bridge) or before that on the left. Walk 300 yards into the reserve.**
